

# THE STATE COMMISSIONER FOR DATA PROTECTION AND FREEDOM OF INFORMATION

## PRESS RELEASE

April 29, 2020

Data protection in times of crisis - handouts from the LfDI help with

contract processing within the EU and EEA

The DS-GVO brought for public institutions, companies, associations or

Municipalities faced some new challenges, which were also largely overcome.

In many places, the newly established administrative processes are now becoming data protection

put to the test by the exceptional situation caused by Corona. A lot of data-

data protection officers are again faced with questions about the legality of data protection

work - for example when it comes to orders for companies outside of Germany, per-

to process personal data.

This is where data protection officers depend on practical help - and that's exactly where it is

is our task as a supervisory authority.

In order to create uncomplicated legal certainty, the LfDI Baden-Württemberg

therefore a contract model for order processing within the European Union

(EU) and the European Economic Area (EEA). It's from now on

available in English and German. Further guidelines will be published in

to follow shortly.

The sample contract for order processing in German is under the link
