Another sanction for violating the RGPD

The National Supervisory Authority has completed an investigation by DADA CREATION S.R.L. and found a violation of the provisions of art. 32 para. (1) and (2) and art. 33 para. (1) of the General Data Protection Regulation.

The operator DADA CREATION S.R.L. was sanctioned as follows:

fine in the amount of 24,272.50 lei, the equivalent of 5,000 EURO, for violating the provisions of art. 32 para. (1) and (2) of the General Data Protection Regulation;

warning for violation of art. 33 para. (1) of the General Data Protection Regulation.

The investigation was initiated following a complaint alleging that a document on the detailed records of transactions received by this site from its customers (individuals) containing e-mail addresses, numbers was available through the operator's website. telephone number, name and surname of customers (adults and minors), age of minors, delivery addresses, order number, total order amount, products ordered and date of order.

The breach of data security was that DADA CREATION S.R.L. did not implement adequate technical and organizational measures to ensure a level of security appropriate to the risk of processing, which led to the disclosure and unauthorized access to personal data of a number of approximately 1091 individuals who had placed orders on the operator's website .

Also, the operator was sanctioned with a warning because he did not notify the Supervisory Authority of the security incident (which was brought to his attention by our institution), according to art. 33 of the General Data Protection Regulation.

At the same time, the corrective measure was applied to review and update the technical and organizational measures implemented as a result of the risk assessment for the rights and freedoms of individuals, so as to avoid similar incidents of unauthorized disclosure of personal data processed.
