Tuesday, January 18, 4-6 p.m.: Event "Possibilities

of the State Freedom of Information Act" with LfDI Brink

Official secrecy no longer exists. If citizens

want information from public authorities,

sen deliver them accordingly, or explain why

exceptionally not possible. What public authorities on request

must be published and according to which criteria this

must follow, is in the State Freedom of Information Act -

short LIFG.

On Tuesday, January 18, from 4 p.m. to 6 p.m., the State

commissioned for data protection and freedom of information Dr.

Stefan Brink gives insights into the LIFG and shows how bur-

like to get the information easily and directly,

that they want. After a short trip through the LIFG

the participants can then directly

Discuss exchange with the state representative and questions

deepen All interested citizens are invited to the online

event cordially invited.
