

Process No. 9638/2018

AUTHORIZATION No. 7108/2018

CONCEITO2A - CONSULTORIA IMOBILIARIA, LDA., with the management and exploration activity

hotel, notified a processing of personal data resulting from video surveillance, for the purpose of

protection of persons and property, to be carried out in its establishment with the designation

CONCEITO2A - CONSULTORIA IMOBILIARIA, LDA. and address Rua Corpo de Deus 112/114

3000-121 Coimbra

The system consists of 2 cameras, placed in the following locations:

Stair hall / circulation areas /

There is no preview of the images in real time.

There is transmission of the images to the outside of the place of installation of the system.

There is no Workers' Commission.

The CNPD has already commented in its Deliberation n.º 61/2004, of 19 April 1 on the principles

guidelines for correct compliance with the Data Protection Law, in terms of

video surveillance, as well as the general conditions applicable to the processing of personal data for the

purpose of protecting people and property. They derive from these principles, as well as from the labor law and

jurisprudence, the following limits to treatment:

☐ Sound collection is not allowed;

☐ The collection of images must be confined to the property of the person in charge and cannot

☐

encompass images of public roads or neighboring properties;

In the case of ATM payment terminals, the cameras cannot be

directed in order to capture the typing of codes;

☐ Cameras cannot regularly focus on workers during the activity

work, nor can the images be used to control the activity of

workers, whether to measure productivity or for accountability purposes

disciplinary (cf. articles 20 and 21 of the Labor Code);

☐ Only the collection of images in the declared locations is covered by this

authorization, and under no circumstances can access images be collected

or inside sanitary facilities, access and interiors of changing rooms or other areas

intended for workers, lobby's, swimming pools and surroundings, gardens, accesses and interior

of rooms and interior of bars and restaurants.

The treatment under analysis, with the aforementioned limitations, is adequate, relevant and not excessive in view of

to the stated purpose (cf. subparagraph b) of no. 1 of article 5 of Law no. 67/98, of 26 October, as amended

1 Available at www.cnpd.pt/bin/orientacoes/principiosvideo.htm

103/2015, of 24 August - LPD) and the activity developed.

The processing of personal data carried out within the scope of video surveillance falls within the concept of

privacy, provided for in paragraph 2 of article 7 of the LPD. Article 31 of Law no. 34/2013, of 16 May,

constitutes the foundation that legitimizes the installation of these systems.

Thus, with the limits set, the treatment notified under the provisions of

Articles 7, no. 2, 28, no. 1, point a), 29 and 30, no. 1, of the LPD, in the following terms:

Responsible

CONCEITO2A - CONSULTORIA IMOBILIARIA, LDA.

to

Communication

of the images

Images may only be transmitted in accordance with criminal procedural law.

Once a possible criminal offense is detected, the person responsible must, together with the participation, send to the judicial authority or to the criminal police body the images collected.

In other situations where the authorities request access to the images, this only may occur, within the scope of a duly identified judicial process, in compliance with a reasoned order of the competent judicial authority.

Outside these conditions, the person responsible cannot communicate the images.

Interconnections None

Cross-border flow to third countries None

data conservation

30 days

Any person covered by the recording of the images (data subject) has the right to access (Article 11(1) of the LPD), unless the images are being used within the scope of criminal investigation, in which case the holder's request must be addressed to the CNPD (paragraph 2 of the same article).

When making the images available to the data subject, the person responsible must adopt the technical measures necessary to hide the images from third parties that may have been covered by the recording.

In order to guarantee the right to information enshrined in article 10 of the LPD, information notices posted in conspicuous places.

The person responsible must adopt the security measures provided for in articles 14 and 15 of the LPD.

Regardless of the security measures adopted by the entity responsible for the treatment, it is up to this to ensure the result of the effective security of the images.

The person responsible for the treatment must also always keep the date and time of the recordings.

Lisbon, 24-05-2018

The president

Filipa Calvão
