

## SAXONY DATA PROTECTION OFFICER

P.O. Box 11 01 32 | 01330 Dresden

press statement

Saxon data protection officer takes over as chairman of the

German data protection conference

In 2020, the Saxon data protection officer Andreas Schurig will

reference of the 18 independent state data protection supervisory authorities

chair the federal and state governments. He takes over this task from the state

contributed to data protection and freedom of information in Rhineland-Palatinate and

Chairman of the data protection conference in 2019, Prof. Dr. Dieter Kugel

man.

Schurig, mathematician and theologian, has the office of the Saxon data

protection officer since 2004. In 2009 and 2015 he was awarded a large

Re-elected by the Saxon state parliament with a majority. His authority

currently employs around 30 employees who serve the approx. 180,000 companies

29,000 clubs, 2.2 million private households and numerous public ones

Offices in Saxony with regard to their handling of personal data

oversee.

The data protection conference decides on the joint demands of the

data protection officers in politics and companies. She supports herself

their specialist working groups such as "Justice", "Science and Research" or "Be

employee data protection".

In practice, the presidency will be handed over from Rhineland-Palatinate to Saxony on

28th and 29th January 2020 in Berlin. On January 28th the

14th European Data Protection Day organized by Rhineland-Palatinate

the motto "Artificial Intelligence - between support and taming"

instead of. Already on January 29th the 1st conference will take place under the chairmanship  
take place in Saxony. Topics will include the medical informatics initiative  
of the Federal Ministry of Education and Research as well as a positioning  
to Windows 10.
