Fine for GDPR violation

In October of the current year, the National Supervisory Authority completed an investigation at the operator SC Das Sense Society SRL to which it imposed a fine, as a result of the fact that it did not provide the information requested by our institution, thus violating the provisions of art. 58 para. (1) correlated with the provisions of art. 83 para. (5) lit. e) from the General Regulation on Data Protection.

As such, SC Das Sense Society SRL was penalized for contravention with a fine of 4,950 lei, the equivalent of 1000 EURO.

The investigation was carried out as a result of some complaints claiming that surveillance cameras were installed at the operator's workplace that captured images both from the public domain (pavement and street) and from the private domain (ramp and stairs access to a housing complex, access to a supermarket).

During the investigation carried out, as a result of the fact that the operator did not comply with the request for information addressed by our institution, a violation of the provisions of art. 58 para. (1) of the General Regulation on Data Protection and SC Das Sense Society SRL was sanctioned with a fine.
