

Fine for GDPR violation

On 21.05.2020, the National Supervisory Authority completed an investigation at the operator Enel Energie Muntenia SA and found a violation of the provisions of art. 32 of the General Data Protection Regulation.

The operator Enel Energie Muntenia SA was fined 19,368.4 lei, the equivalent of 4,000 EURO.

The investigation was started as a result of a complaint by which the petitioner notified the violation of the security and confidentiality of personal data by Enel Eergie Muntenia SA, by sending documents containing his personal data to another Enel customer, using electronic mail.

During the investigation, the National Supervisory Authority found that the operator did not take sufficient security and confidentiality measures to prevent the accidental disclosure of personal data to unauthorized persons, violating the provisions of art. 32 of the GDPR.

At the same time, the corrective measure was applied to the operator to ensure compliance with the RGPD of the operations of collection and further processing of personal data, by implementing appropriate and effective security measures, both from a technical and organizational point of view .
