

## Sanction for violating the RGPD

The National Supervisory Authority completed on 06.07.2020 an investigation at the operator SC CNTAR TAROM SA, as a result of the transmission by the operator of a notification regarding the violation of personal data security, finding the violation of the provisions of art. 32 para. (4), art. 32 para. (1) lit. b) and para. (2) of the General Regulation on Data Protection, which led to the application of a fine in the amount of 24,182.50 lei, the equivalent of 5,000 EURO.

The breach of data security consisted in the fact that the controller did not implement adequate technical and organizational measures to ensure that any natural person acting under the authority of the controller and having access to personal data only processes them at the request of the controller. led to the loss of the confidentiality of personal data through unauthorized access to data belonging to a number of five (5) TAROM passengers, as well as to the unauthorized disclosure of their data.

The corrective action was also applied to the operator to review and update the technical and organizational measures implemented as a result of the risk assessment for the rights and freedoms of individuals, including the working procedures on personal data protection, and the implementation of certain measures. on the regular training of persons acting under its authority (employees).
