A P O F A S H 13 / 2022

the

invitation of its President in order to approve its Amendment

Regulation of its Operation. The President of the Authority Konstantinos was present

Menoudakos and

regular members Spyros Vlachopoulos, Konstantinos

Lambrinoudakis, Charalambos Anthopoulos, Christos Kalloniatis and Ekaterini

Iliadou. Ms. Maria Psalla, alternate member of Grigorios, was also present

Tsolias, who, despite being legally summoned in writing, did not appear

obstacle. By order of the President, Irini Papageorgopoulou attended as

Secretary and Georgia Palaiologou as coordinator of the teleconference,

employees of the Department of Administrative Affairs of the Authority.

Article 8 par. 2 of the Regulation of Operation of the Authority provides for the

ability

in the

Department substitute member, who participates in the meeting even if he is

the regular member present, but without a vote in this case. From the layout

it is not clear whether she can be appointed to the Department as a rapporteur

substitute member of the Authority who is not a member thereof. In view of this it is required

to amend the relevant provision in order to provide this possibility, without

the rest of the settings of the amended provision are changed. By

in this way it is possible to make fuller use of all tactics and

alternate members of the Authority and as a result the increase in cases which are examined by the Department. For the above reason I recommend that it be replaced paragraph 2 of article 8 of the Operating Regulations as follows: "2. In in the plenary session is defined as rapporteur and to

Plenary and the Department are attended by regular members. In case of absence or if a regular member is obstructed, the corresponding substitute participates. Exceptionally the presence of substitute members is also possible if deemed appropriate by the President of the Authority. A substitute can also be designated as a rapporteur member, who participates in the composition of the Plenary or the Section, even if the regular member participates, but without the right to vote in the latter case. In the Department, a rapporteur and substitute member may be appointed Authority that does not participate in its formation. Auditor branch employees, participate in meetings and conferences, without the right to vote, on consideration of cases in which assistant rapporteurs have been appointed."

The Plenary accepted the proposal and decided to replace it paragraph 2 of article 8 of the Operating Regulations during the proposal. The Amendment to the Operating Regulations is published in its Gazette of Government and on the website of the Authority and follows at the end of it decision.

The validity of the Amendment starts from its publication in the Gazette Government.
