Teaching the basics with videos and

In-depth seminars on freedom of information

as a new offer of the education center BIDIB

The BIDIB training center now offers basic videos

for the area of freedom of information. The total

six videos on the State Freedom of Information Act (LIFG)

cover

the entire basic area in terms of content.

After the video training, citizens know how they

be able to submit LIFG applications quickly and effectively, and

Representatives of reporting bodies, how to

answered these requests in a target-oriented and correct manner. That

shortest video has a length of almost 7 minutes, the

longest takes about 32 minutes.

LfDI Brink: "With the videos, we offer the opportunity to acquire knowledge independent of time and place. And with them At the same time, we create the space for in-depth seminars Exchange and professional discussion."

The videos can be viewed in self-study. she are clear, self-contained and can be be viewed in any order. If you want, you can
