

PRESS RELEASE

September 17, 2018

General Data Protection Regulation in everyday life - no problem!?

Regulatory authorities support companies and authorities with the challenges

to master the challenges of the GDPR

The change from the Federal Data Protection Act to the European data protection

Basic Regulation (DS-GVO) on May 25, 2018 provides companies, authorities, operational

civil and official data protection officers and also the supervisory authorities

big challenges.

Now the GDPR is in "active operation" - the new regulations must be applied and

transfer to everyday life. This is also a requirement for everyone involved.

The professional association of data protection officers in Germany (BvD) e.V., the

the commissioner for data protection and freedom of information in Baden-Württemberg

and the President of the Bavarian State Office for Data Protection Supervision

therefore from October 24 - 26, 2018 to the dialogue with the supervisory authorities

Stuttgart a.

The motto of the first two days of the conference is:

"Challenges of the GDPR -

Economy meets supervision".

The third day of the event offers a premiere.

This day deals exclusively with topics related to authorities and public

bearers and bears the motto:

(Supervisory-)

"Authority advises authority".

As in the previous year, both legal and

practical questions are also at the center of the lectures and workshops. Additionally

to the questions that can be asked during the lectures, the

supervisory authorities with the program item "The supervisory authority answers your questions

gen" on each day of the conference, the opportunity to ask specific questions from the participants in the

to be discussed individually within the framework of expert discussions.

The event offers the exceptional opportunity with supervisors

from different federal states to get into conversation and to get first-hand information

find out what steps and measures are planned.

The supervisory authorities are also informed about the cooperation between the individual federal countries and the respective EU neighboring countries have to report.

And last but not least, the participants receive orientation aids and recommendations for

ments in order to (continue to) optimally face the challenges of the GDPR

be able.

The BvD autumn conference on data protection will take place from October 24th to 26th, 2018 in Steigenberger Hotel Graf Zeppelin in Stuttgart.

The event "Economy meets supervision" (24th & 25th October 2018) and the authorities day

(26.10.2018) can also be booked independently of each other if required.
