

## Reporting "Data Breaches"

with Bavarian authorities

Published by the Bavarian State Commissioner for Data Protection

a new guideline "obligation to report and notification

duty of the person responsible".

Press Release – Page 1/2

Munich, June 5th, 2019

A year has passed since the data protection reform of 2018. to the new

ments include a duty to report data breaches and a

Obligation to notify data subjects who are particularly

ders serious cases intervenes. The Bavarian public authorities

government and non-governmental, especially municipal

len area meet these obligations.

Prof. Dr. Thomas Petri: "Due to the numerous reports I received

In the event of 'data breaches', a situational picture 'data security in Bavaria' is created,

which enables targeted preventive data protection work. The Mel

ments prompt me to regularly make recommendations to the

reporting public bodies. The level of data security

ity is continuously improved. affected citizens

In the case of a mandatory notification, you will also receive information

to exercise their rights effectively."

Based on the experience gained so far, the Bavarian

cal State Commissioner for Data Protection, the orientation guide "Mel-

obligation and notification obligation of the person responsible" published,

which addresses numerous questions of doubt and the relevant regulations

the General Data Protection Regulation and Bavarian state law

comprehensively explained for Bavarian administrative practice. while doing  
the guidance makes it clear that not every violation of data  
protective regulations, but only a breach of security

Your personal rights - our mission
