Data protection check at VfB Stuttgart 1893 e.V.

and VfB Stuttgart 1893 AG

fine proceedings are opened

LfdI Stefan Brink: "The data protection violations are

lich and cause us to initiate fine proceedings

open."

After several months, the state representative for

data protection and freedom of information Stefan Brink

Test procedures at VfB Stuttgart 1893 e.V. and VfB Stuttgart

gart 1893 AG and opened fine proceedings against them

VfB Stuttgart 1893 AG.

The data processing in the association and AG was checked

around the general meeting to decide on

the spin-off of the professional football department in 2017, so-

such as individual data transfers to an external service provider
of VfB Stuttgart 1893 AG in 2018 and questions about the current
ellen implementation of the applicable legal situation under the DS-

- 2 -

GMO.

After intensive examination by VfB Stuttgart for clarification
documents and discussions submitted in relation to the facts of the case
with those responsible it can be determined that sufficient
actual indications of data protection violations by VfB

Stuttgart 1893 AG, which initiated a fine
appear necessary in terms of monetary proceedings. The state
In the event of data protection violations, all remedies
powers according to Art. 58 Para. 2 DS-GVO available, too
which also includes a fine procedure.

In the further course, further investigations will now be carried out
carried out by the state representative. The fine
le his authority are thereby powers available, the
essentially related to those of a public prosecutor
are equal.

The VfB Stuttgart 1893 e.V. and the VfB Stuttgart 1893 AG
have supported the previous educational measures and
continue to be willing to cooperate.
