December 07, 2021

Exhibition and series of events "Sports Heroes –  
remembered or forgotten?"

Wednesday, December 8th, 6 p.m.: Online discussion about the anti-  
Doping system and civil liberties

Can the anti-doping system still be saved? In the course of the anti

In the fight against doping, competitive athletes are transparent –

almost any personal information you enter price for

computerized control system that – how

youngest

Reports by the sports journalist Hajo Seppelt show - like this

manipulation is that any basis for this

control system appears to be obsolete.

On Wednesday, December 8th, 6 p.m., the sports journalist Hajo will discuss

Seppelt, NADA board member Dr. Lars Mortsiefer, the German

Champion in the BMX race Philip Schaub, the weightlifter and

Olympian

the

State Representative Dr. Stefan Brink on the anti-doping

System, how it works, how young athletes use it

deal with permanent pressure and what solutions there are

can, in order to control future doping abuse and

at the same time to better protect the rights of the athletes.

The sports journalist Hajo Seppelt

the

2021-600/

The exhibition and the accompanying events honor the successes

of partly forgotten sports heroes and question the type and

way they are remembered. At the same time, the LfDI sets itself as

Supervisory authority that is responsible for the interests of freedom and civil rights

strong

personal rights

from competitive athletes and current ones

developments in the field of sports. The state representative leaves

the question of how much freedom top athletes have to give up,

to follow their passion.

Further information on the exhibition and the events is available
