The 14th training session of Medienscouts MV took place from 15th to 17th

March 2019 in the Maritime Youth Village Greifswald/Wieck. became again

over 30 young people from all over Mecklenburg-Western Pomerania to Medienscouts MV

educated. "Just the organization of workshops and project days

own schools requires a great deal of voluntary commitment from the

young people," says Antje Kaiser, project manager at the state commissioner

for data protection and freedom of information M-V. We need: More

Media scouts for MV!
