Dresden,

December 22, 2020

Presentation of the activity report of the Saxon Data Protection Authority

commissioned for 2019

On December 22, the Saxon data protection officer Andreas Schurig

December 2020 the activity report for the past year. the

extends to the period from January 1, 2019 to December 31

About 2019. Due to the pandemic, there will be no press conference this year,

but only a written press release. For this purpose,

confession asked.

The report contains cases from the supervisory activity, a statistical part

and provides information on the interpretation of the General Data Protection Regulation

Sanction practice and data protection case law. the resolutions,

Resolutions, guidance and materials of the Conference of Independent

gigantic data protection officers of the federal and state governments responsible for

application of the data protection regulations should be observed

listed for information and finding and are in the digital edition of the

activity report has been linked.

Andreas Schurig: "In Saxony it is more than two years after it took effect

of the General Data Protection Regulation on the part of those responsible despite a

overall increased awareness of data protection, a major legal

significant need for advice. The focus of my efforts

The persons affected by fundamental rights are always at the forefront of the authority

and those responsible for advice. How vital and necessary

is a functioning data protection supervisory authority shows how much my
