

Process No. 9736/2018

AUTHORIZATION No. 7253/2018

FADIFAR LDA, owner of a pharmacy/parapharmacy, notified a processing of personal data resulting from video surveillance, with the purpose of protecting people and property, to be carried out in their establishment with the name FARMACIA CENTRAL and address PRAÇA D. MARIA II, No.

1406 4760-111 V. N. FAMALICÃO

The system consists of 6 cameras, placed in the following locations:

Counter/ Payment area/ Sales area/ Products exhibition area/ Warehouse/ Storage area
conference/

There is visualization of the images in real time.

There is no transmission of images outside the system installation site.

There is no Workers' Commission.

The CNPD has already commented in its Deliberation n.º 61/2004, of 19 April 1 on the principles guidelines for correct compliance with the Data Protection Law, in terms of video surveillance, as well as the general conditions applicable to the processing of personal data for the purpose of protecting people and property. They derive from these principles, as well as from the labor law and jurisprudence, the following limits to treatment:

- ☐ Sound collection is not allowed;
- ☐ The collection of images must be confined to the property of the person in charge and cannot

☐

encompass images of public roads or neighboring properties;

In the case of ATM payment terminals, the cameras cannot be directed in order to capture the typing of codes;

- ☐ Cameras cannot regularly focus on workers during the activity work, nor can the images be used to control the activity of workers, whether to measure productivity or for accountability purposes

disciplinary (cf. articles 20 and 21 of the Labor Code);

☐ Only the collection of images in the declared locations is covered by this authorization, and under no circumstances can access images be collected or inside sanitary facilities, areas intended for laboratory tests or provision of health services and changing rooms.

The treatment under analysis, with the aforementioned limitations, is adequate, relevant and not excessive in view of to the stated purpose (cf. subparagraph b) of paragraph 1 of article 5 of Law 67/98, of 26 October, as amended 103/2015, of 24 August - LPD) and the activity developed.

1 Available at www.cnpd.pt/bin/orientacoes/principiosvideo.htm

The processing of personal data carried out within the scope of video surveillance falls within the concept of privacy, provided for in paragraph 2 of article 7 of the LPD. Article 8. no. 4 and article 31 of Law no. 34/2013, of 16 May, constitute the foundation that legitimizes the installation of these systems.

Thus, with the limits set, the treatment notified under the provisions of Articles 7, no. 2, 28, no. 1, point a), 29 and 30, no. 1, of the LPD, in the following terms:

at the

Following

Communication

of the images

Images may only be transmitted in accordance with criminal procedural law.

Once a possible criminal offense is detected, the person responsible must, together with the participation, send to the judicial authority or to the criminal police body the images collected.

In other situations where the authorities request access to the images, this only may occur, within the scope of a duly identified judicial process, in compliance with a reasoned order of the competent judicial authority.

Outside these conditions, the person responsible cannot communicate the images.

Interconnections None

Cross-border flow to third countries None

data conservation

30 days

Any person covered by the recording of the images (data subject) has the right to access (Article 11(1) of the LPD), unless the images are being used within the scope of criminal investigation, in which case the holder's request must be addressed to the CNPD (paragraph 2 of the same article).

When making the images available to the data subject, the person responsible must adopt the technical measures necessary to hide the images from third parties that may have been covered by the recording.

In order to guarantee the right to information enshrined in article 10 of the LPD, information notices posted in conspicuous places.

The person responsible must adopt the security measures provided for in articles 14 and 15 of the LPD.

Regardless of the security measures adopted by the entity responsible for the

treatment, it is up to this to ensure the result of the effective security of the images.

The person responsible for the treatment must also always keep the date and time of the

recordings.
