the. In this session, the digital living environment of children and young

explored and discussed how it empowers in the digital age

be able to maintain control over their personal information.

Questions from Netzfest visitors of all ages are welcome

welcome!

Sunday, May 5, 2019 from 11:30 a.m. – 12:15 p.m.:

Data protection supervision under GDPR: Who we are, how we work

and what the new law has brought

Lecture by Dr. Philipp Stroh, legal advisor to the BlnBDI

Citizens of Berlin see themselves at any time from a large number of

exposed to risks for the protection of their personal data; may be

it in the waiting room of a practice, when renting an apartment

or by looking at the e-mail inbox. The data protection supervisory

net of these dangers on a daily basis and represents the interests of those affected

individuals against such companies and authorities. Philipp straw presents

present how the work at the data protection authority is carried out, what obstacles exist and how one can take action oneself.

Sunday, May 5, 2019 from 2:15 p.m. – 3:00 p.m.:

GDPR Question Time - one year later

workshop with dr Philipp Stroh, legal officer of the BlnBDI and

Christian Dahler, IT consultant at the BlnBDI

All questions accumulated in the first year under the GDPR

have can be asked in this workshop. The two referee

pensions from the legal and IT department of the Berlin data protection

are available to answer questions and provide information about the work of the

Regulatory authority under the new European legal framework.

We will answer questions at the information desk throughout the festival

Questions about data protection.
