The state representative Stefan Brink: "Digitization and

Data protection belongs and works together. we

support digital communication and now also offer

the content of our work via an app."

The app currently works on Apple smartphone devices

Operating system version 13.5. It is planned the app

to update regularly. An Android version of the app is

currently in development and should also be available by the end of the year

to be published. The content of the app is also available on the
