Registered association

The check was

initiated on the basis of a complaint by the complainant in which he stated that he suspected the unauthorized processing of personal data by the association during testing historic vehicles.

The office found that the association processes personal data of applicants for the purpose of testing historic vehicles on the basis of authorization according to § 79b paragraph 2 Act No. 56/2001 Coll., on conditions operation of vehicles on roads, and § 6 of decree no.

355/2006 Coll., on determining the method and conditions of registration, operation, method and conditions for testing historic and sports vehicles, when the association was testing authorized by the International Federation of Historic Vehicles. Detailed processing procedures requests for testing a historic vehicle are regulated in § 6 of the decree

No. 355/2006 Coll. and Annex No. 6 thereof, in particular Annex No. 3 -

Sample application for testing of a historic vehicle in which it is also

Decree No. 355/2006 Coll. with a request for historical testing vehicles is completed in four copies. One is intended for the historical register vehicles, one is kept by the testing committee of the institute that carried out the testing, the other

the necessary range of processed personal data is indicated. According to point 6 of Appendix No. 6

the copy is handed over to the chairman of the relevant regional testing commission and one remains applicants for historic vehicle testing.

The inspectors stated that the processing of personal data for
the purpose of testing and registration of a historic vehicle is carried out on the basis of
of the legal title according to Article 6 paragraph 1 letter c) of the general regulation, as it is about

processing that is necessary to fulfill a legal obligation imposed on the controller personal data covered.

The inspection did not reveal any unauthorized use

processing of personal data when applying for historical testing

vehicles. The complainant was informed about the conclusions of the inspection.
